

A vigil of prayer was held at St. Vincent on August 11. Likewise, other faith congregations of the New Sanctuary Movement met during the week to pray for a Path to Citizenship for All Undocumented Immigrants. The theme centered around bread and fish as a symbol of the multiplication of our efforts in bringing about a miracle in Congress.

In Southeastern PA, we celebrate Sen Casey and Rep Evans who have publicly supported all 11 million in the pathway to citizenship. It is now time for Rep Scanlon, Rep Boyle and Rep Dean to do the same! Please urge them to support legislation.
